

AIRBERLIN BUSINESS POINTS

Special promotion: We are welcoming you to the airberlin business points program with a one-way award flight* within Europe after your first return flight!

airberlin business points is the specially tailored free bonus program for companies which enables them to collect valuable points for each employee's business trips. These points can then be redeemed into award flights, thereby saving the cost of a business trip. The more frequently the company decides to book a business flight on airberlin, NIKI and business points partner airlines, the more it will save!

BENEFITS OF THE BUSINESS POINTS PROGRAM

- ➔ Valid for an extensive network of flights operated by airberlin and NIKI, as well as on selected codeshare flights with Etihad Airways, Jat Airways and Virgin Australia
- ➔ The registration is free of charge
- ➔ The award flights can be booked up to 3 hours before departure, upon availability
- ➔ At the same time, each employee can still collect miles with topbonus, airberlin's frequent flyer program

All companies registering for business points for the first time that will have flown one return flight (or two one-way flights) in the period 13th April – 30th June 2015 will be welcomed with 1.000 points. This bonus corresponds to an award flight* within Europe!

FOLLOWING CONDITIONS APPLY:

- ➔ Registration period: until 31st May 2015
- ➔ Travel period: 13th April – 30th June 2015
- ➔ Valid for companies which have not been registered to the airberlin business points program before
- ➔ Registration is possible anytime at **businesspoints.airberlin.com** » by entering the special promotion code **BPPRG415** into the online registration form
- ➔ The company receives 1,000 welcome bonus points after the qualifying flights have been credited: one return flight or two one-way flights

For complete details of our business points program, as well as the general terms and conditions, please visit **businesspoints.airberlin.com** »

*One-way flight. Taxes, fees and fuel surcharges must be paid in EUR or the local currency by the company.
